Statement by Trustee Bryan F. Cranna

March 3, 2011

Over the last seven years I have had the honor of serving Tivoli as a Trustee and Deputy Mayor. I am proud to have held those titles and proud of the accomplishments we as a village have created together.

Holding public office and representing others in government is an honor, and one that I do not take lightly.

Over the last seven years that I have served in Tivoli I have had the honor of working with committed public servants. One of those individuals is Trustee Susan Ezrati, who is seeking re-election to the Board of Trustees.

Trustee Ezrati immersed herself into the responsibilities of Trustee and with her strong financial background, organizational skills, and attention to detail, she is an intricate part of Tivoli's government and responsible for many of the successes that Tivoli has seen lately.

Tivoli is fortunate to have residents who play a hands on and vital role in our community. Many offer their time and assistance to ensuring Tivoli is the wonderful place it is to live in, raise a family in, visit, and work in. One such individual doing that is Robin Bruno who seeking a Trustee position in Tivoli.

With her experience gained by working in the Village Clerk's office and as a community volunteer, Robin Bruno will make a fine addition to the Board of Trustees.

Both Susan Ezrati and Robin Bruno define what it means to be public servants, and I proudly endorse their candidacies.
